

## Mud Sucker® Diaphragm Pumps

Manufactured in North America. Country/region specific models are available worldwide.

## ACCESSORIES

Enhanced pump out productivity with your Mud Sucker diaphragm pump can be as easy as adding a few simple accessories. So if you need to suck up dirt and debris, need a mess free pump out, or have a heavier duty dewatering application, the right accessories can enhance your fluid handling one step further.

| Part no.   | Description  | Part no.   | Description                           |
