PROFESSIONAL DESIGN AND ENGINEERING - THE WASTECORP ADVANTAGE.

DESIGNED FOR YOUR SPECIFIC INDUSTRY OR AGENCY

You provide your mobile hand washing requirements and Wastecorp designs and manufactures the rest or select from a variety of standard models.

ON DEMAND HOT WATER

Public health authorities generally agree on the importance of warm water when washing hands. Wastecorp's plug and play design allows for warm water as required.

TOUCHLESS DESIGN

From faucet control to hand drying the user is not required to touch anything further reducing the chances of spreading a virus.

DEPLOY YOUR HAND WASHING SYSTEM FAST

Wastecorp offers both mobile and stationary units with DOT compliant trailers, LED lights and optional custom light towers. Skid mounted units feature forklift pockets on all side to move around your job site quickly.
