**THE TFX-2TH. THE TOUGH AND COMPACT SOLIDS HANDLING TRASH PUMP.**

The TFX-2TH is a rigid, compact and portable solids handling trash pump. With its durable frame and light weight you can take this utility pump right into the work area. The TFX-2TH can pump water and solids up to 1" solids and 185 GPM with up to 95 ft. of discharge head. With the optional wheel mount kit this pump is perfect for on the move operations.

**FEATURES**

**SOLIDS HANDLING IMPELLERS**

Trash Flow pumps feature our standard premium two-vane solids handling impellers with solids handling capabilities up to 1".

**TFX TRASH PUMP WHEEL KIT**

The optional wheel kit accessory is designed to fit your choice of TFX trash pump and provides even more portability.
